

DO YOU NEED AFFORDABLE LODGING WHEN YOU ARE IN ANCHORAGE?

Staying in a hotel when in Anchorage, for many of us, is a luxury! But there are times when it is a necessity. In an effort to make it affordable for our parishes when they have the responsibility to have their parish clergy in Anchorage AND for our faithful when they travel to Anchorage for whatever purpose, the Diocese has a special rate price, YEAR ROUND, at the Holiday Inn Express.

- This IS NOT a group rate, there doesn't have to be a special number of people
- This DOES NOT have to be used only when coming to Anchorage for a Church-sponsored event.

The Holiday Inn Express is located at 4411 Spenard Road in Anchorage, close to the airport, and they offer 24-hour airport shuttle service. You will find the hotel to be comfortable, safe, and close to a variety of near by places to eat. Every room has free wi-fi and there is a free breakfast bar, an indoor swimming pool with a spa and fitness center, and free parking if you are renting a car.

TO RESERVE A ROOM, YOU MUST:

1. Call (907) 248-8848 (you must reserve your room directly with the hotel!)
2. Tell them that you want a Standard Room under the **Special Rate Agreement for the DIOCESE OF SITKA AND ALASKA**
3. Reserve your room using a personal credit card, that you will also have to show at the front desk when you check in.
4. You will be responsible for taxes charged above the cost of the room.

ROOM TYPE	DATES	VOLUME RATE	NOTES
Standard Room	Jan 1 - May 31, 2019	\$80.00	*all rooms on all dates are subject to availability - always reserve rooms early
Standard Room	June 1 - Aug 31, 2019	\$164.00	
Standard Room	Sept 1 - Dec 31, 2019	\$80.00	

Tips:

- ❖ If you have a problem with a customer service representative using the Diocesan rate, be sure you use our correct title, DIOCESE OF SITKA AND ALASKA
- ❖ If the customer service rep cannot find the rate, ask to speak with Keon or Steven – they are both most familiar with the booking system

The Diocese will re-negotiate our rate by the end of 2019. The more rooms that are reserved under this rate throughout the year will allow us to have better negotiating power for the next year!
